AVAILABILITY

Most of our plant varieties are available in both 4 inch and 1 gallon containers. Most varieties of Hostas are also available in bare root liners. Please call for pricing and availability.

ORDERING

Orders may be placed by phone, fax, or e-mail. If you need more information about our plants or availability please call 800-256-6766. Our office is open Monday through Friday 7:30 am - 5:30pm CST.

TERMS

Orders will be sent COD unless credit has already been established with us. We will provide customers with a credit application upon request. We also accept Visa, Mastercard, American Express and Discover. For customers with established accounts, terms are net 30 days. **A 7% surcharge will be added after 30 days** Accounts 60 days past due will be placed on COD terms until balance has been paid. There will be a \$45.00 charge for all NSF checks.

SHIPPING AND DELIVERY

We find ground freight to be a fast and cost effective way to ship plants to our customers. We can ship directly to a business or even to a job site.

We ship in specially designed boxes that hold five 20 count trays (100 plants per box). Therefore our minimum order is one full box.

Please refer to the shipping chart in the back of this catalog to determine estimated freight for delivery to your area. Freight charges are charged to the customer. No additional charges for boxes or packaging.

We also offer delivery for those customers needing larger orders. We have two different size trucks and trailers and also use a semi for the largest orders. Several delivery options available. Call to see which one best suites your needs

GUARANTEE

We guarantee our plants to be in top quality condition when they are shipped. All claims for shortages or damaged plants must be made within 5 business days of receipt.

"celebrating 30 years in business"

To Our Many Customers,

As Miller's Ground Cover nears the 40th anniversary of its founding, we wish to thank our customers for helping us flourish.

While economic forecasts may change from week to week, our commitment to providing quality products, delivered at fair prices, has enabled Miller's Ground Cover to weather many storms over the years. We have YOU to thank for that!

Whether we have been partners in growth together for decades, or you are just getting acquainted with us, we look forward to helping you to put down hearty roots and healthy shoots well into the future.

Our key to longevity: Consistency. All our plants are of the highest quality and guaranteed to be in good condition when delivered. If you ever have a problem with your order, just give us a toll-free call or email us. We are happy to resolve problems or answer any questions you may have.

We offer several delivery options, including UPS and our own trucks, so that we can get material to our customers as quickly and efficiently as possible. And we can provide samples at no cost if needed.

Whether you need large quantities for your landscaping project or just a few plants, let Miller's Ground Cover be the source for all your botanical supplies. No order is too large or too small -- although we ask that you keep your orders to a minimum of 100 pieces in order to help us keep our prices as low as possible.

Here's to the hope that, together, we continue to thrive. Remember: "Together We Stand."

Sincerely,

Darlene Miller
